STAINLESS STEEL MAST TERMINALS

Stemball Terminals - Metric Wire

Benefits

Electrical upsetting with beneficial grain structure and low stress levels to reduce fatigue.

Free from structural welds which may reduce the strength and integrity of the product.

All Stemball Terminals are manufactured from solid bar - no welding involved.

Inspection certificate BS EN 10204 3.1B available on request (This must be specified at the time of order).

High quality finish and excellent polish
